Dear Shorthorn - Polled Shorthorn Breeders:

It is a real pleasure for me to manage the Tennessee National Show & Sale. This sale has been one of the strong events for the breed in the Southeast in the past and it is my intention to bring it back to the position it once held in the industry. The consignors this year have taken a powerful step in that direction with the outstanding group of cattle they have brought forward. The bull offering contains several herd sire prospects that will fit the strongest herds. In addition commercial men will find big, strong bulls that are ready for immediate service. The bred females feature some of the outstanding service sires in the breed today and the excellent group of Junior heifer calves will certainly be heard from at the shows next summer.

In order to make this event as educational and enjoyable as possible we have arranged to weigh the bulls on Friday afternoon and you are certainly invited to attend. The Annual Banquet will be held Friday evening in the Ellington Center and you are cordially invited to attend and visit with breeders from throughout the country. In addition, arrangements have been made to attend the "Grand Ole Opry" Saturday night, December 11th. As tickets for this event will be limited, I urge you to contact my office immediately for reservations.

If I can be of any service to you, please do not hesitate to call on me or any member of my staff. I look forward to seeing you in Nashville!

Sincerely,

CAGWIN CATTLE SERVICES, INC.

WAUKARU SEAL 565 x — By the 100% dehorning Seal 10Z x, who was in the Sires of the Year two years in a row. This is a really clean-made, meaty bull that has good elevation. The Maid of Promise 72 x, although only a '72 cow, has already raised two herd bulls. She goes back to the Haumont herd to guarantee growth. This could well be a 100% dehorning bull as his mother has raised only Polled calves. 205 index — 114; 365 index — 99.
